

# LET'S TRAINING!

In each participating country (Greece, Italy and Spain) the project partners are carrying out a specific training course based on a **methodology** aims at being a system of principles, a structured approach for a learning objective that consists in giving artists the opportunity to update their **skills** to better face the **labour market**.

The learning group from Greece during the face-to-face session of Arts module.

The training course has been developed in order to offer new opportunities and innovative instruments to artists for **improving** their **qualifications** and thus their levels of **employability** and **integration** into the labour market, mainly through training activities that abide by the European Qualifications Framework for lifelong learning (EQF) and the European Credit System for Vocational Education and Training (ECVET) standards.
