deadline: 30 September 2016

THE ARTS TRAINING PROGRAMME

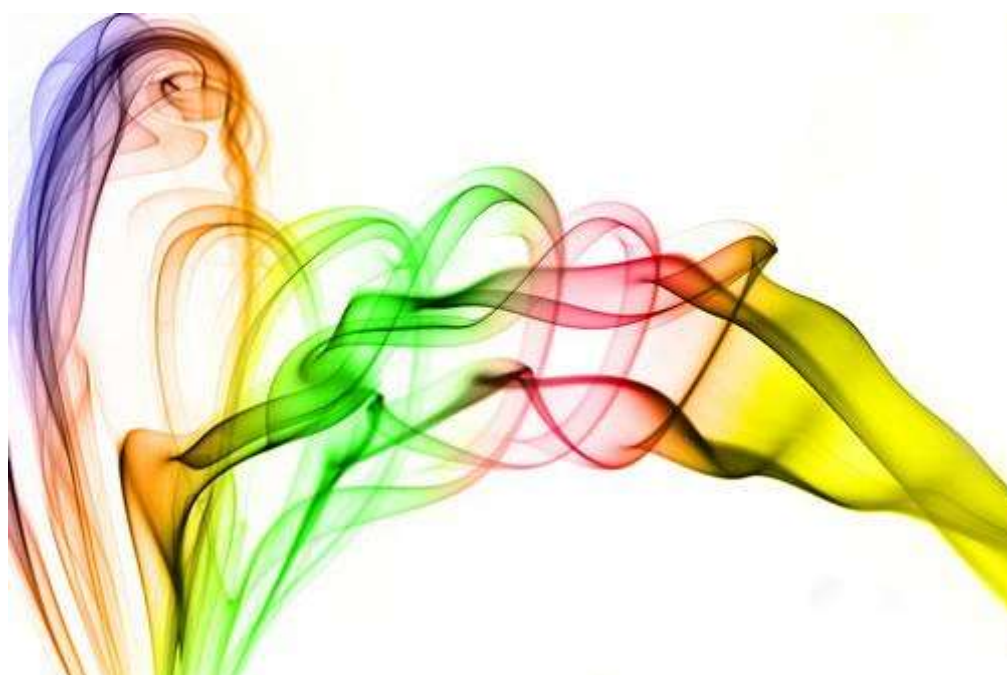

The ArtS project has designed a joint vocational training programme according to EQF/ECVET standards in Spain, Italy and Greece that is outcome-oriented and responds to specific skill shortage in the creative and cultural sectors' market in the countries involved. The ArtS training programme offers you the opportunity to attend three transversal modules, which correspond with the most important skills and competences, identified for the Cultural and Creative Sectors:

Business administration /management, Networking/ digital and media communication,
Entrepreneurial skills and social entrepreneurship

And to choose at least 1 Module relevant with your specialization:

Craft, Cultural Heritage, Visual arts, Audiovisual and multimedia, Literary arts, Performing arts
Attending the training you will get an European certification valid around all Europe!

ABOUT THE PROJECT.....

The project was launched in 2014 after the establishment of a consortium made up of partner organizations from Greece, Italy and Spain, with the aim of empowering artists from the Cultural and Creative Sectors (CCS) to enhance cultural economy with a view to tackle unemployment at regional and transnational level...
